

KENYA REVENUE
AUTHORITY

PUBLIC NOTICE

PUBLIC NOTICE ON ELECTRONIC MONITORING OF GOODS UNDER KRA'S CONTROL

In order to ensure faster and efficient flow of legitimate trade, Kenya Revenue Authority is expanding the coverage of Electronic Cargo Tracking System (ECTS) to monitor goods on transit, exports and any other goods under KRA's control. This is a statutory requirement under the East African Community Customs Management Act (2004) as read together with the subsidiary legislation as well as the Customs & Excise Act Cap 472.

All importers, exporters, clearing agents and transporters of such goods shall be expected to comply with the above requirement. The current tamper proof seals will be phased out and replaced by electronic seals.

Sensitization of stakeholders on the ECTS requirements, procedures, and controls has commenced and will continue up to September, 2009.

For further details please contact the KRA Call Centre on Tel. 4999999.
