CLARIFICATION/ADDENDUM "SET 1"

KRA/HQS/NCB-025/2024-2025: RENEWAL OF TENABLE SECURITY CENTRE SUBSCRIPTION LICENSES & SUPPORT SERVICES FOR A PERIOD OF THREE (3) YEARS

Kenya Revenue Authority wishes to inform prospective bidders of the clarifications/amendments detailed below for the above referenced tender.

S/No	Query	KRA Response
1	MAF - whether to/must be addressed to KRA.	Bidders are advised that the MAF should be addressed to Kenya Revenue Authority and reference the procurement item i.e. Provision of Tenable SecurityLicensesp
2	ICTA Accreditation for Information Security - to advise on the category/level	Bidders are advised to provide evidence of GRADE ONE ICTA accreditation on Information Security
3	Number of licenses/hosts - Tenable no longer provides 512 licenses or hosts. KRA to advise if we can go ahead and quote for 500 licenses/hosts.	Bidders are advised to quote for 500 licenses/hosts to conform with bunching specifications by the OEM. In tandem, the Price Schedule issued in the bid document has been expunged and replaced with a new price schedule herein attached and marked as Annex 1: Revised Price Schedule
4	Please Note Tenable has no annual payment for a 3-year quote. Hence, they will require a one-off payment for the licenses. This is due to annual price increments by Tenable which are uncertain hence making it difficult to commit for this duration. Annual cost increment is at the OEMs discretion and could be between 20% to 30% per year. Other items on the price schedule, i.e. support/SLA can be paid annually.	Bidders are advised that owing to budgetary constraints, bidders are to quote the renewals on an annual basis and hedge the annual price increases on the same.
