

ADDENDUM SET 2

07th May 2026

To all Prospective Bidders

REF NO. KRA/HQS/NCB-067/2025-2026: PROPOSED REHABILITATION WORKS AT LUNGA LUNGA ONE-STOP-BORDER-POST

Kenya Revenue Authority wishes to inform prospective bidders of the clarifications/amendments to the referenced tender as follows;

S/N	QUERY	KRA RESPONSE
1	Having visited the above named site and after personal valuation i have noted that the above works is equivalent to Kshs 20,000,000.00 (Kshs Twenty million) and the required NCA 5 is to 100,000,000.00 (One hundred million). We request to re-consider the NCA and allow for NCA 7.	KRA wishes to clarify to bidders that owing to the complexity of the project, operational sensitivities, implementation timelines, and coordination requirements necessitate engagement of a contractor with higher technical, financial, and operational capacity. Consequently, contractors classified under NCA 5 and above are considered better placed to deliver the works efficiently, safely, and within the required timelines while minimizing disruption to ongoing operations. <i>This requirement therefore remains unchanged.</i>

The Addendum form part of the bidding document and is binding to all bidders. All other terms and conditions of the tender remain the same. You are therefore required to immediately acknowledge the receipt of this addendum.

Regards,

Dominic Oporo, HSC.

For: Deputy Commissioner – Supply Chain Management
