No.	QUERIES	RESPONSE
1.	Whether the books must be from the specific authors indicated in the tender document	The authors should be specific as that in the tender document requirements
	Whether KRA can accept books whose titles are the same as those required but authors different from the ones(authors) in the Tender Document Books Specifications.	The authors should be specific as that in the tender document requirements
	Must the CVs of Key Personnel be related to the nature of business that we intend to do or items that we tend to supply? Or CVs from any academic field can score 20 as long as a genuine degree certificate is attached	CVs from any field are acceptable.
	What's the financial evaluation criteria used?	Financial evaluation will be based on the lowest evaluated responsive bidder. There is nothing so technical in supply of books hence price carries the biggest weight.
