KEY REVENUE DRIVERS

Tax Amnesty

- Through the tax amnesty programme, KRA collected **Kshs 43.9 Billion**. This is after **2,617,111** taxpayers were granted amnesty in the Financial Year 2023/2024.

Tax Base Expansion

- The program enabled KRA to collect **Kshs.24.62 Billion** in revenue. Some of the initiatives under the TBE include recruitment of landlords under the Monthly Rental Income (MRI) obligation and Block Management System (BMS) to map out potential taxpayers. Through the programme, KRA recruited **1,247,543** additional active taxpayers in the period under review.

Debt collection initiatives

- KRA enhanced collection from debt programmes on non-compliant taxpayers, collecting a total of **Kshs 103.390 Billion** in FY 2023/2024. This performance is attributable to follow-ups on demand notices and the debt instalment plans agreed upon with taxpayers.

Dispute resolution framework

- The framework enhanced revenue collection from Litigation, Alternative Dispute Resolution (ADR) and Tax Appeals Tribunal (TAT). This enabled KRA to collect **Kshs 60.469 Billion** from 6776 concluded cases.

Betting and Gaming Tax

- The integration of betting and gaming companies into the tax system has given KRA real-time access to companies in the sector. During the FY2023/24, KRA collected **Kshs.24.269 Billion** in Excise Duty and Withholding Tax from **111** onboarded companies.

Anti-Corruption Measures

- The public and staff reported **883 cases** involving tax malpractices. This was done through the iWhistle System and led to the recovery of **Kshs. 4.22 Billion**.
