Key Revenue Drivers

Revenue Enhancement Initiatives

- Alternative Dispute Resolution (ADR).
- Voluntary Tax Disclosure Program (VTDP).
- Exchange of information with global tax revenue agencies.
- Enhanced active border surveillance and enforcement.
- Collaboration with multi-agency teams in the fight against tax evasion.

Strengthening of Integrity Measures & Service Delivery

- Heightened awareness among staff on the Internal Code of Conduct.
- Use of anonymous reporting tools to combat corruption e.g iWhistle
- Robust Internal Performance Management programme.

Enhanced use of Innovative Technology

- Improved user experience for the iTax system
- Extensive use of data and intelligence tools to unearth unpaid taxes.
