#### **2** Preliminary examination for Determination of Responsiveness

The Standard Tender Evaluation Report Document for Goods and Works for evaluating Tenders provides very clear guide on how to deal with review of these requirements. Tenders that do not pass the Preliminary Examination will be considered non- responsive and will not be considered further.

[The Procuring Entity will provide the preliminary evaluation criteria. To facilitate this, a template may be attached or clearly described information and list of documentation to be submitted by Tenderers to enable preliminary evaluation of the Tender]

#### 3 Tender Evaluation (ITT 35)

- ii) Group B: tenders offered by foreign Contractors and other Tenderers where Kenyan citizens hold shares of less than fifty one percent (51%).
- 6.4 All evaluated tenders in each group shall, as a first evaluation step, be compared to determine the lowest tender, and the lowest evaluated tender in each group shall be further compared with each other. If, as a result of this comparison, a tender from Group A is the lowest, it shall be selected for the award. If a tender from Group B is the lowest, an amount equal to the percentage indicated in Item 3.1 of the respective tender price, including unconditional discounts and excluding provisional sums and the cost of

day works, if any, shall be added to the evaluated price offered in each ender from Group B. All tenders shall then be compared using new prices with added prices to Group Band the lowest evaluated tender from Group A.
